Duty of Care

The duty of care legislation makes provision for the safe management of waste to protect human health and the environment. *The Waste duty of care: code of practice* applies to you if you import, produce, carry, keep, treat, dispose of or, as a dealer or broker have control of, certain waste in England or Wales. *Waste duty of care: code of practice* ([www.gov.uk](http://www.gov.uk))

Duty of Care not required unless stated

\* 'uncontaminated soil and other naturally occurring material excavated in the course of construction activities where it is certain that the material will be used for the purposes of construction in its natural state on the site from which it was excavated'
